[Optional] Step 6: You can edit your RocketChat profile to change your displayed name and include your pronouns. See screenshots below:

Note from ACL2020 Professional Code of Conduct Chairs

On both RocketChat and Zoom, please ensure that your name and affiliation are displayed in a way that matches your ACL registration (i.e. one or more of the name fields, including preferred name, in the ACL registration form). You are also encouraged to include your pronouns. Obfuscating your identity or displaying the name of another attendee instead may be considered harassment under the ACL's anti-harassment policy.
